# Chair Collection

Our **Chair Collection** brings a whole new meaning to the old saying "sit down and take a load off your feet". We've combined traditional and transitional styles with warm, textured fabrics, high-end cushioning and attention to detail into hundreds of styles for you to choose from. From formal to relaxed, seating for one or more, our Chair Collection features something for everyone.

5278-01

5496-01 Occasional Chair

**5324-01 Occasional Chair** ●

W25 D27 H39-1/2  
| AH 27-1/2 | SH 21 | SD 20-1/2 | IW 21 |

*This elegant chair has French styling with an oval back framed by intricate carved wood. Carvings also accent the arm and leg details.*

**5455-01 Occasional Chair** ●

W30 D33 H39  
| AH 26 | SH 21 | SD 24 | IW 24 |

**5392-01 Wing Chair** ●

W32-1/2 D32-1/2 H41  
| AH 24 | SH 22 | SD 23-1/2 | IW 25 |

● Also available in leather ● Nail-head trim standard

**5416-01 Occasional Chair** ● W31 D29 H46  
| AH 27 | SH 21 | SD 22-1/2 | IW 22-1/2 |

*French Regency inspired arm chair featuring cabriole legs, upholstered arm pads and an upholstered back framed with scroll carvings. The wood carving gives the chair an intricate silhouette, while maintaining a less ornate surface that showcases the fine grain wood.*

**5394-01 Occasional Chair** ●  
W25-1/2 D30 H40-1/2  
| AH 26 | SH 20 | SD 20 | IW 20-1/2 |

**5441-01 Occasional Chair** ●  
W29-1/2 D30 H47  
| AH 25 | SH 20 | SD 21 | IW 24 |

● Also available in leather ● Nail-head trim standard

**5278-01 Occasional Chair** ● W29 D32 H42  
 | AH 25-1/2 | SH 22 | SD 22 | IW 22 |

*This stylish transitional lounge chair features cupped back shaping outlined with exposed wood. The wood flows along the arm and down the front legs with sculptured detailing. Plush seat cushions provide excellent comfort.*

**5476-04 Occasional Chair** ●  
 W26 D27 H40  
 | AH 26 | SH 21 | SD 20 | IW 19-1/2 |  
 Shown with optional nail-head trim and optional contrasting outback and outarm. Nail-head trim standard with leather/vinyl application.

**5466-05 Occasional Side Chair** ●  
 W26-1/2 D27 H41  
 | SH 21-1/2 | SD 19-1/2 |  
 Nail-head trim standard with leather/vinyl application.

● Also available in leather ● Nail-head trim standard

**6009-01 Lounge Chair** ● W32 D32-1/2 H43  
| AH 22-1/2 | SH 20 | SD 22 | IW 28 |

● Also available in leather ● Nail-head trim standard

**5461-01 Occasional Chair** ● W25 D26-1/2 H39  
| AH 27 | SH 20 | SD 21 | IW 21 |

*The simple clean lines of the wood outlining this chair reflect Italian influences. Finely detailed scrolling vines are carved along the front apron.*

**5378-01 Occasional Chair** ●  
W29 D31-1/2 H42-1/2  
| AH 25-1/2 | SH 19-1/2 | SD 21 | IW 20-1/2 |

**5170-01 Occasional Chair** ●  
W30-1/2 D32 H41-1/2  
| AH 26-1/2 | SH 19 | SD 21 | IW 21-1/2 |

● Also available in leather ● Nail-head trim standard

**5443-01 Occasional Chair** ● ●

W28-1/2 D30 H42-1/2  
 | AH 26 | SH 20 | SD 20 | IW 24 |  
 Shown with optional contrasting seat.

*This traditional chair features scroll carved wood detail on the arms and graceful tapered legs. The curved back shape is accented by a border.*

 Please see page 51.

# Essentials

We are pleased to offer a special selection of our favorite items in “married” fabrics and finishes. We call these special marriages, “Essentials”. By “marrying” a frame to a specific fabric and finish, we can offer extra special values through an increase in efficiencies and the economies of scale. Essentials are our best combinations, picked by our talented merchandising team to offer the freshest looks at special value pricing.

# Office Seating & Furniture

Warm, wood tones and distinctive detailing within our **Office Seating & Furniture** collection enhances the craftsmanship of each piece. Careful attention to detail has allowed us to design these collections to be very functional for today's office needs. Our seating features a variety of Chairs for executive seating, as well as guest seating. Our office furniture was designed to fit within your home office or within the corporate business environment. Desks feature an ample desktop working area, plus convenient storage for papers or computers. Bookshelves, File Cabinets, Credenzas and Decks bring versatility to your overall storage needs. Bring your entire office environment together with our stylish office seating and furniture designs.

1012-35

# Essentials

We are pleased to offer a special selection of our favorite items in "married" fabrics and finishes. We call these special marriages, "Essentials". By "marrying" a frame to a specific fabric and finish, we can offer extra special values through an increase in efficiencies and the economies of scale. Essentials are our best combinations, picked by our talented merchandising team to offer the freshest looks at special value pricing.

**Stain Finishes:**

**Paint Finishes:**

Please note that all our finishes are applied by hand and require multiple steps from skilled artisans to achieve the fine, rich look that is the hallmark of Fairfield's finishes. As a result, each piece will be unique. Variations in color, shading, burnishing, distressing, crackle, texture and other characteristics should be expected from piece to piece, especially in our "Premium" and "Premium Plus" finishes, as they involve even more steps of individualized hand applications. At Fairfield, we treat each piece as a true work of art to provide our customers with furniture that is rich in beauty and character.

5441-01 featured in Antique Sterling, a Premium "Plus" Finish

### Aged Pewter\*

This finish starts with a very light hand distressing with a warm traditional base stain. The color is achieved using brown glazes and stains with hand-padding and a very light cow-falling used for variation and character. The added character of silver tipping on carvings and tarnishing is used as an accent for a higher end look.

\*This finish is available on selected frames only. Please see your price list for a complete list of frames that will accept the Aged Pewter finish. The silver tipping is applied by hand to areas with carvings and moulded details only. Expected variations in the amount of silver is affected by the depth of carvings and burnishing which adds to the unique character.

### Artisan\*

This finish is an accent addition to the Antique Black which is already in the line. The gold-tipping is added to select frames for an extra level of sophistication and character. The gold-tipping is applied by hand, which is then softened and worn through in various areas for a worn, well-traveled look.

\*This finish is available on selected frames only. Please see your price list for a complete list of frames that will accept the Artisan finish. The gold tipping is applied by hand to areas with carvings and moulded details only. Expected variations in the amount of gold is affected by the depth of carvings and burnishing which adds to the unique character.

### Amaretto

This finish emulates Italian and Old World charm through warmth and character using medium to dark stains and glazes. The underlying complexity of this finish begins with a light paint with layers of brown stains. These stains are set over hand distressing which is realized using dark glazes and hand dry-brushing that hangs up on these areas to give an antique character. Each piece finished using this Amaretto finish will develop its own look and character reminiscent of Old World Europe.

### Burnished Gold\*

This finish starts with very light hand-distressing with a warm traditional base stain. The color is achieved using brown glazes and stains with hand-padding and very light cow-falling used for variation and character. The added character of gold-tipping on carvings and tarnishing is used as an accent for a higher-end look.

\*This finish is available on selected frames only. Please see your price list for a complete list of frames that will accept the Burnished Gold finish. The gold tipping is applied by hand to areas with carvings and moulded details only. Expected variations in the amount of gold is affected by the depth of carvings and burnishing which adds to the unique character.

### Ancestry

This finish starts by taking on a character of casual elegance achieved only with a combination of texture, hand-distressing in key areas and several steps of dark to medium stains and glazes. The stains are applied during the early steps and then locked down using sealers. At this point the emulsion and white paint is applied which pulls and separates to give the build-up and crackle effect, reacting differently on each piece. Only after this process is complete, can the dry-brush, hand-padding and glazes be applied. This is truly a finish that adds feeling with the casual elegance one looks for in antiques.

### Driftwood

Driftwood is one of Fairfield's most labor intensive hand worked achievements. Driftwood was added to emulate the look of wood that has been exposed to the Natural weathering of Sun, Wind and it's effects to wood grain. One of the first and most important steps of this finish is the care full attention given to hand distressing by skilled craftsmen on selected hardwoods. At that point the finish begins the color transformation to achieve the grace full aging process by combining various color tones such as light grays from bleaching of the sun and wind, medium browns from the natural pigmented wood tones, and at times, a slight appearance of light grays and or pale blues in various areas. Each color tone is carefully applied by hand to items individually in efforts to enhance and capture the essence of naturally occurring effects on wood as it reacts to exposure. Shading and hand padding are then added to various areas to soften and blend the color tones which results in a casual yet sophisticated natural appearance one would expect from the name Driftwood.

### Antique Sterling\*

This finish is an accent addition to the Antique Black which is already in the line. The silver-tipping is added to select frames for an extra level of sophistication and character. The silver-tipping is applied by hand which is then softened and worn through in various areas for a worn, well traveled look.

\*This finish is available on selected frames only. Please see your price list for a complete list of frames that will accept the Antique Sterling finish. The silver tipping is applied by hand to areas with carvings and moulded details only. Expected variations in the amount of silver is affected by the depth of carvings and burnishing which adds to the unique character.

### Tortoise

This finish is a newer addition to our Premium "Plus" offerings. Influenced by a combination of European and Asian designs, this finish adds a look of character truly unique, as its name suggests. The Tortoise finish is achieved by layering rich and darkened stains for depth. Paints, heavy glazes and alcohol padding are then applied by hand, which helps the color to release in some areas and creates a build in other areas, reminiscent of aged antiques. The finish step is a 20 sheen to lock in the hand-crafted look and to add a clear patina.

Please note that all our finishes are applied by hand and require multiple steps from skilled artisans to achieve the fine, rich look that is the hallmark of Fairfield's finishes. As a result, each piece will be unique. Variations in color, shading, burnishing, distressing, crackle, texture and other characteristics should be expected from piece to piece, especially in our "Premium" and "Premium Plus" finishes, as they involve even more steps of individualized hand applications. At Fairfield, we treat each piece as a true work of art to provide our customers with furniture that is rich in beauty and character.

## LIFETIME LIMITED WARRANTY: Residential

Fairfield warrants its merchandise to be free of defects in materials and workmanship for the life of the piece under normal residential use and conditions to the original purchaser. Exceptions to this warranty include:

- Commercial/Contract use (see separate warranty)
- Fabrics – One (1) year
- Customer's Own Material (COM) – Not warranted
- Standard Executive Swivel bases and mechanisms – Five (5) years
- Knee Tilt and Gas Lift mechanisms – Five (5) years
- Casters – Five (5) years
- Glides – Not warranted
- Recliner mechanisms – Three (3) years
- Sleeper mechanisms – Three (3) years
- Innerspring sleeper mattresses – Five (5) years
- Renting, recovering, misuse or abuse
- Damage due to carrier or customer handling
- Case Goods – One (1) year

Fabrics will naturally stretch and wear with normal use and is not considered evidence of defectiveness. Fabric fading, piling, heavily soiled, improperly cleaned and "after-market" chemically treated fabrics are not covered by this warranty. Customer's Own Material (COM) is not warranted.

Seat cushion cores have a lifetime warranty against loss of resiliency. Through normal use, all cushion cores will soften and lose loft with time. Loose seat and back cushions should be fluffed and turned weekly, polyester fibers will lose loft with normal use and is not be considered defective.

Warranty service is handled through the original furniture agent/dealer. Should service be needed, contact your furniture agent/dealer. After receiving Fairfield authorization, the agent/dealer will either repair or return the defective item to the factory for repair or replacement. Fairfield's responsibility for transportation and labor is limited to one year from the original purchase date and to the transportation between the agent/dealer's location and the factory. Outside the USA, warranty is limited to replacement parts only.

Replacement parts for office mechanisms, office bases, loose seat and back cushion cores and swivel rocker bases are without charge. Installation of these items is the responsibility of the dealer and is not covered by this warranty.

Consequential and incidental damages are excluded from this warranty. This warranty gives you specific legal right, and you may also have other rights that vary from state to state.

Our frames are constructed to support individuals up to 300 pounds.

## LIMITED WARRANTY: Commercial/Contract

Fairfield warrants its merchandise to be free of defects in materials and workmanship for Five (5) years under normal single shift use and conditions to the original purchaser. Exceptions to this warranty include:

- Certain frames with delicate features, as denoted in the catalog – Not warranted
- Fabrics – Not warranted
- Customer's Own Material (COM) – Not warranted
- Ultra Value, Ultra Plush and Blend Down seat cushions – One (1) year  
(HR-40 and Ultra Firm seat cushions –5 years)
- Back cushions and arm pillows – One (1) year
- Knee Tilt and Gas Lift mechanisms – Two (2) years  
(Standard Executive Swivel bases and mechanisms –5 years)
- Casters – Two (2) years
- Glides – Not warranted
- Recliner mechanisms – Two (2) years
- Sleeper mechanisms – Two (2) years
- Renting, recovering, misuse or abuse
- Damage due to carrier or customer handling
- Case Goods – One (1) year

Fabrics are not covered by this warranty (please use an appropriate wear tested fabric for use conditions).

The warranty for seat cushion cores is against a loss of resiliency. Through normal use, all cushion cores will soften and lose loft with time. Loose seat and back cushions should be fluffed and turned weekly; polyester fibers will lose loft with normal use and is not be considered defective.

Warranty service is handled through the original furniture agent/dealer. Should service be needed, contact your furniture agent/dealer. After receiving Fairfield authorization, the agent/dealer will either repair or return the defective item to the factory for repair or replacement. Fairfield's responsibility for transportation is from the location to which Fairfield originally shipped. Transportation and labor are limited to one year from the original purchase date. Outside of the U.S.A., warranty is limited to replacement parts only.

Replacement parts for office mechanisms, office bases, loose seat and back cushion cores and swivel rocker bases are without charge. Installation of these items is the responsibility of the dealer and is not covered by this warranty.

Consequential and incidental damages are excluded from this warranty. This warranty gives you specific legal right, and you may also have other rights that vary from state to state.

Our frames are constructed to support individuals up to 300 pounds.

Fairfield offers a variety of nail-head trim for all applicable frames. When selecting your nail-head trim, please indicate the name shown to the left below (example, 1009 Hammered Oxford). If a frame is standard with nails, 1009 Brass will be applied, unless otherwise specified. Upcharges, if applicable, are listed in the current Fairfield price list for each individual frame.

### Nail-head Trim Options: **Small**

<b>1009 Brass</b> (Standard Nail)		1/2" (Shown Actual Size)	<b>Standard Nail</b> Applied in a fashion that each nail-head touches the previous nail-head.
<b>1009 Nickel</b>		1/2" (Shown Actual Size)	Applied in a fashion that each nail-head touches the previous nail-head.
<b>1009 Pewter</b>		1/2" (Shown Actual Size)	Applied in a fashion that each nail-head touches the previous nail-head.
<b>1009 Hammered Oxford</b>		1/2" (Shown Actual Size)	Applied in a fashion that each nail-head touches the previous nail-head.
<b>1009 Hammered Nickel</b>		1/2" (Shown Actual Size)	Applied in a fashion that each nail-head touches the previous nail-head.

### Nail-head Trim Options: **Large**

<b>1037 Large Brass</b>		7/8" (Shown Actual Size)	Applied with consistent fingerwidth spacing between each nail.
<b>1037 Large Nickel</b>		7/8" (Shown Actual Size)	Applied with consistent fingerwidth spacing between each nail.
<b>1037 Large Pewter</b>		7/8" (Shown Actual Size)	Applied with consistent fingerwidth spacing between each nail.

### Nail-head Trim Options: **Novelty**

<b>536X Diamond Brass</b>		7/8" x 1/2" (Shown Actual Size)	Applied with consistent fingerwidth spacing between each nail.
<b>536X Diamond Pewter</b>		7/8" x 1/2" (Shown Actual Size)	Applied with consistent fingerwidth spacing between each nail.

### Cushion Construction

Fairfield uses a variety of cushion constructions depending on the style and intended function of the piece. Below are descriptions of the various constructions we are proud to offer:

**Ultra Plush 5L\*** This five-layered cushion uses a soft grade of 1.8 lb. HR foam for the cushion core. The foam core is then capped with a 1-3/4" thick, soft convoluted foam on each side and wrapped with a 1-1/4 ounce fiber crown. The cushion is then encased in a white non-woven ticking. This combination of foams and fiber is designed to create a soft plush cushion yet will still maintain positive "memory" of its original shape. This cushion is standard on most sofas and lounge chairs.

**Ultra Firm 3L\*** This is an "all foam" cushion (no fiber crown) constructed with three layers of Premium HR foam. The core foam is a firm compression which is wrapped on both sides with a layer of medium compression foam. The outer layer provides a softer initial feel, while the inner core provides the firm support. This Premium "all foam" cushion is designed for high shape retention and will resist fatigue and sagging. It is especially recommended for use in Commercial/Contract applications.

## Frame Construction

To maximize strength and durability, frames are constructed of solid kiln dried hardwoods and laminated hardwood veneers. Many major stress joints feature both triple doweling and corner blocks that are attached with glue, staples and four screws. To insure frame integrity and compatibility with style and design requirements, frames are engineered to use a variety of joint constructions. All solid hardwood is dried to 6% - 8% moisture content.

## Back & Arm Pillow Types

**Fiber Backs & Arm Pillows** Most loose and semi-attached backs and arm pillows are all fiber. The fiber is enclosed in a non-woven fabric with partitions inside to keep the fiber from shifting. The fiber used is a hollow conjugate with a silicone finish to provide superior loft and resiliency.

**FeatherBlend™ Backs & Arm Pillows** Premium back pillows that contain a filling combination of 50% Ultima Supreme™ polyester fiber/45% duck feather/5% duck down and arm pillows that are filled with 100% duck feather and down, are available as an option. The feather and down fill has been cleaned and dried using the Pacific Coast Feather Cushion Company's exclusive Ultraclean™ process. The result is a debris free, hypo-allergenic natural fill with exceptional performance. All feather and down adheres to the standard of the bedding industry for maximum comfort and luxury.

## Spring Construction

The Soft-Luxe individually pocketed spring system is the latest design innovation in upholstered furniture engineered to provide the ultimate in comfort. The Soft-Luxe system features a minimum of 100 coils per seat, or a minimum of 300 coils per sofa. Each seat cushion has a separate coil suspension that eliminates "roll-together" and provides seating comfort for every individual regardless of shape or size. The Soft-Luxe seating system will provide years of durable and carefree service to even the most active families. Some frame styles use drop-in coil units or sinuous wire springs.

**FeatherBlend™ Cushions\*** Both the seat and back pillows have a filling combination of 50% Ultima Supreme™ polyester fiber/45% duck feather/5% duck down. The feather and down fill has been cleaned using biodegradable emulsifiers, then rinsed eight times, in accordance with Pacific Coast Feather Cushion Company's exclusive Ultraclean™ process. Afterwards, PCFCC steam dries the feather, enhancing the natural curl in the feather for optimum loft and resiliency. The result is a debris free, hypo-allergenic natural fill with exceptional performance. All feather and down adheres to the standard of the bedding industry for maximum comfort and luxury.

The foam part used in the FeatherBlend™ Cushion is a high density, high resiliency foam that meets and exceeds industry standard.

*FeatherBlend™, Ultima Supreme™ and Ultraclean™ are trademarks of the Pacific Coast Feather Cushion Company.*

*\* All foams used by Fairfield meet the requirements of the California Bureau of Home Furnishings Technical Bulletin 117.*

**HICKORY SPRINGS**<sup>®</sup>  
MANUFACTURING COMPANY

### #905 Mechanism

- **Special soft lock feature allows for easy opening and closing** – Deep cavity accommodates a 6" x 72" mattress (Contract) or a 6" x 76" mattress (Residential).
- **Tilt-forward feature** – Allows for easy cleaning underneath.
- **Double BedSecure™** safety feature – Prevents sleeper from tilting in the open position.
- **Handle Cutout** – Allows user to obtain a comfortable grip.
- **Linkage below surface** reduces mechanism interference with clothing or bedding.
- **Dual galvanized mattress retainers** – Secures bedding.
- **Heavy gauge 1-1/8" diameter tubing at head and foot** – Gauge of tube is .056"/.072" at head; .066"/.080" at foot.
- **Center legs** – Give dependable support; one-piece angled legs improve stability.
- **Plastic glides** – On legs to protect the floor.
- **Cross wires in seat and shoulder sections** – Provide additional support.
- **Double crossmember tubes in the shoulder section** – Provide for stronger frame.
- **12 gauge galvanized helicals around perimeter** – Eliminate stretched helicals.

Tradition. Innovation. Performance.  
W O R L D W I D E

### Swivel Mechanism

49 ball bearings

Full race of ball bearings for years of dependable service.

### Swivel Rocker Mechanism

### Swivel Glider Mechanism

A unique parallel rocking motion similar to a porch glider.

Precision balanced linkage gives unrestricted rock without the use of springs.

Attached 51 ball bearing swivel action.

All steel tubular ring base for greater stability in all positions.

Combines smooth, effortless rocking and swivel motion together in one chair.
